*Extract from the Proceedings of the 136th Meeting of the Council of His Highness the Maharaja, held at Bangalore on the 17th March 1906.*

I. Subject--(Clause V a of Schedule)

Pay and allowance of Mr. Arumugam Modaliar as medical officer in charge of the Victoria Hospital, and the grant of an allowance to Mr. C. A. Ranjappa as Resident Medical officer of the same hospital.

1. The Resident Medical officers allowance has been fixed at Rs. 200/- per mensem by G.O. No. 1590-1 Fl. dated the 17th December 1903, and Mr. Ranjappa may accordingly be allowed to draw that allowance from the date of his appointment as Resident Medical officer.

2. Mr. Arumugam Modaliar, may in addition to his pay of Rs. 500/- and personal allowance of Rs. 100/-

per mensem be given a charge allowance of Rs. 400/- a month, which may, as a special case with regard to him alone, be taken into account in calculating his pension on his retirement.

*Submitted to His Highness.*

My note of the 7th instant explains the case.

2. Dr. Armugam Mudaliar has been a Civil Surgeon from the year 1897 and Resident Medical Officer, Victoria Hospital, from February 1901. He was appointed to the charge of the Victoria Hospital in July 1905. The question of settling his emoluments was, however, deferred pending decision as regards the loan of another British Medical Officer to Mysore. Now that the Senior Surgeon has pressed upon the Government the need for a settlement of the Resident Medical Officer's allowances, it seems desirable that both the cases should be taken up and dealt with together.

3. Dr. Armugam Mudaliar has discharged his duties most satisfactorily, even at the risk of his health. His charge of the Victoria Hospital is not likely to be affected, as the Officer for whose services application has been made, is proposed to be

emplyed otherwise. There is admittedly no other in the service as qualified and competent to hold the charge of this important Institution, which is expanding in its usefulness day by day, as Dr. Armugam Mudaliar. He was drawing an allowance of ₹200 with free quarters as Resident Medical Officer, and double that amount with the same privilege of free house is by no means an incommensurate remuneration for the very responsible and onerous charge now entrusted to him. It seems unnecessary to disturb the scales of pay and allow inconvenient questions of rank &c to be raised. An adequate charge allowance is the form of the additional remuneration now to be given to Dr. Armugam Mudaliar, and after careful consideration the amount of this allowance has been fixed at ₹400 a month.

4. Dr. Armugam is advancing in years, and it will be a most inadequate return for his work to grant him an allowance which does not count for pension. Hence the proposal that the charge allowance of ₹400 should in his case specially count for pension. The Council have no doubt whatever that the least that he deserves is what they have thought fit

to recommend to His Highness.

5. The Resident Medical Officer is doubtless entitled to the local allowance of Rs200 per mensem, under Government Order No.Fl.1590-1, dated 17th December 1903, and Mr. Nanjappa will accordingly be authorized to draw this allowance from the date of his service in the Victoria Hospital.

6. Dr. Armugam Mudaliar will also be permitted to draw the difference of his allowance from the date of his taking charge of the Hospital.

7. These recommendations may be graciously approved.
